## Sub: Explanation of the Building Certificate

I would like to inform you that in our school, we have total four blocks(A,B,C&D), however all the blocks of ground floor as well as the first floors construction work is completed but in the A block the second floor is under construction, that's why it is mentioned three floors in Building Certificate, but not mentioned in the fire NOC.

With Regards,  
Thanking you  
Your Sincerely
