Holiday Home work (2025-26)
Class- LKG

"Kindergarten children are confident in spirit, infinite in resources, and eager to learn. Everything is still possible"

Dear Parents,

We hope that the children are enjoying in the school. As there will be no classes for summer break, so we want our little ones to utilize their time with constructive and creative activities. We have planned some activities for your child to enhance his / her learning skills in a fun filled way.

Holiday Project

Craft a storybook

Let your child's creativity flow through story book. Give them stickers and colour pencils to create their storybook, using them. Encourage them to narrate a story and bring them to the notebook through their creativity. This improves their story telling skills and creativity skills.

Nature Treasure Hunt

Take them out to explore and organize a treasure hunt in a nearby park. ask them to collect anything like stone or leaves of any shape to create a collage. This hands-on activity promotes curiosity and connects kids with nature.

Holiday Journal

They can draw or paste picture of their daily activities. In addition to being a treasured memory. This will help them develop their fine motor abilities.

Make a stick puppet

Make a stick puppet of your favourite fruit/vegetable and learn 5 lines about them.
